Costume

You need to please provide the following costume for yourself:

Plain smart black outfit

- No logos or writing of any kind
- Plain black pumps/shoes and plain black socks
- Please make sure that your legs are all black, ie. no gaps between socks/trousers
- Your outfit will be far more visible on camera than it usually would on stage so please make it as smart as you can and as interesting as you wish! Everyone will be in black but it will be great to have a variety of styles and textures.
